

UNION AIR FREIGHT (S) PTE LTD NAMED AS 2024 BEST MEMBER AT THIS YEAR'S 41ST FFSI WORLDWIDE CONFERENCE

41ST FETA FREIGHT SYSTEMS INTERNATIONAL WORLDWIDE CONFERENCE
ROYAL ORCHID SHERATON HOTEL & TOWERS
8 – 10 APRIL 2025
Hosted By: FETA FREIGHT SYSTEMS INTERNATIONAL

CHRIS WATERSON

MESSAGE FROM FFSI CHAIRMAN—Our 41st Annual FFSI Worldwide Conference took place in April where members gathered together at the Sheraton Royal Orchid Riverside Hotel.

The highlight was the welcome cocktails and dinner after embarking on the river cruise with the vessel docking at the hotel pier. We saw more than the usual number of members participating in the karaoke after dinner with some newly identified singing and dancing talent.

Congratulations to those members who received Awards along with credit notes to offset against their 2026 Annual membership fees, and to the team which won the Chairman's Crazy Quiz.

The first day also offered all members present the opportunity to cast their votes on the venue for the 2026 Conference. Options were Cambodia, China, Malaysia, Poland, and Thailand. The majority voted in favour of Beijing, China with provisional dates being 21st to 23rd April, 2026.

The Farewell Dinner was a hit and there was fervent participation in the traditional Bingo to close the evening and the Conference.

Thank you to all who attended the Conference, and we hope for an improved turn-out when we meet again next year.

MESSAGE FROM UNION AIR FREIGHT (SINGAPORE) PTE LTD—We're truly honoured to receive the Best Member Award from FFSI. This recognition means a lot to our team and reflects the strong partnership and trust we've built within the network.

A big thank you to FFSI and all our fellow members—we look forward to continued success together!

ALBACOR SHIPPING

Natalia Vasilieva
Airfreight Director

Why did you join FFSI?

Albacor Shipping is a freight forwarding company specializing in international cargo transportation.

However, we have never positioned ourselves as a global company, nor has this been among our priorities. Being a member of the FFSI is a strategic decision that enables companies like ours to address specific challenges and secure our niche in the global logistics industry.

Why until now you are still a member of FFSI?

FFSI is, above all, an association of professionals—people who are passionate about their work and capable of solving complex, non-standard tasks. Today more than ever, it is crucial to feel the support of colleagues. When normal operations are hindered for various reasons, maintaining professional connections, seeking advice, and exchanging expert opinions become invaluable.

What advice can you give to our members in building more business to one another and in continuing their FFSI membership?

Building and growing a business requires communication, networking, and the exchange of ideas. I believe that thematic online conferences and one-to-one meetings would be highly beneficial.

Any other positive and encouraging message to the members.

I sincerely hope that, despite the challenges of these difficult times, we will all be able to maintain both cordial and professional relationships.

What advice can you give to our members in building more business to one another and in continuing their FFSI membership?

Focus on building genuine partnerships by being responsive, reliable, and transparent in all dealings. Consistent communication and a willingness to collaborate are essential to creating long-term value within the network.

Any other positive and encouraging message to the members.

By working together, sharing knowledge, and supporting one another, we can unlock even more opportunities for mutual growth. The strength of our network lies in the dedication and unity of its members—let's keep that momentum going.
